Membership Report

Past President Pete Herron reported that, to date, there are 138 total members, with 101 paid and 38 new members who have a one-year free membership. Pete also noted that he is only getting about a 25% return from the forms sent out. Vice President Karmelin asked whether information on new retirees is being received from the College's Human Resources office. Since there seems to be a problem in obtaining the names in a timely manner, Ed will request a listing of last year's retirees from that office.

Website Report

Pete reported that he has renewed the one-year contract for the management of the website and that a slideshow of RASCC events is now up and running.

RASCC Newsletter

Editor Bud Macy is still requesting articles for the next newsletter in time for the August mailing the deadline of which is fast approaching.

Nominating Committee

Chair of the committee, Bud Macy, contacted former President Salvatore LaLima to begin working on finding a nominee(s) to fill the position of Secretary on the Executive Council. The only name suggested so far is Pat Cavaliere. Mary Donohue had her phone number and Bud will try contacting her before the August

meeting. Pete indicated that he will get in touch with Corita Kong (currently a member of the Planning Committee) to see if she will continue to serve since she is moving from Middle Island into the city.

New Business

Bud advised the Council that a printer cartridge needs to be purchased for Pete Maritato in the Engineering Department since all the newsletter printing is done there. A vote was taken to approve this expenditure and was passed unanimously.
